

Buying & Selling

Buying a property

General Steps

1. Hit up a mortgage BROKER
2. Building inspection (Pest, mould, foundation)
3. Use conveyancer to look over sales contract
4. Find place and put offer in

Check before getting interested

- Is the property in a flood zone

Check before deposit

- Drain in laundry
- mould, pest, rot building checks
- Age of building
- What keys are available for locks including garage, storage, laundry

Selling a property

General steps

1. Hit up sales agency and let them know you want to sell
2. Hit up conveyancer to write up a sales contract
3. Wait
